TEN TORS 2016

Good luck to our 35-mile and 45-mile teams this weekend!

Sixth Form Transitions

Dr Beverley Hawkins from Exeter University Business School recently delivered an interactive session to the Year 12 students helping them navigate and tackle their challenges they face as they progress through their post-16 education. Students were asked to map their journey so far and their future year ahead identifying some of the major events – good and bad! They were then asked to build a monster representing the challenges that they faced in their transition through Sixth Form. Some inspiring and intriguing models were created including a mug of tea to signify their monster was the lure of a nice cup of tea that stopped them from doing revision!

Apart from identifying their own personal journey, the underlying message was to help the students realise how important their own leadership skills were in ultimately becoming a success at post-16 studies and their careers beyond. Dr Hawkins has been working with many other Sixth Forms in the county and we were delighted that she came to enlighten our Year 12s in her busy schedule. Although fun was had with the modelling (never too old to use playdough!) – the students all gained valuable insight into recognising their journey ahead and how to survive.

The Umborne Ug 10k and 2.5k Fun Run

Anyone interested in running our Axe Valley Runners 2.5k? This will mostly be on road and the flat.

Fun Run at Umborne Hall (EX13 7QL) north of Colyton on Saturday 28th May at 6.10pm.

This is mostly for runners under the age of 16 as those over 16 can do the multi-terrain 10k. The under 8s need to be accompanied by an adult please. There are prizes for the first three boys and first three girls, plus each junior receives a medal. On top of that, there is a BBQ, (a bar for adults!) hot drinks and lots of delicious cakes so the family can make an evening of this event, organised by www.axevalleyrunners.org.uk and Umborne Hall Trustees. Entry is by donations - £3 is the suggested amount. It really is a fun event for the whole family!
