Monday 28th November 2016

Dear Parent/Carer

Geography revision guides.

In order to enhance your child's performance in GCSE Geography we would like to offer you the opportunity to purchase an excellent revision guide. It is specifically designed for Edexcel syllabus A and covers all of the material we have and will be studying.

The revision guide presents the content in an easy to use accessible fashion and includes many maps, diagrams and images that will help with the significant amount of knowledge required in GCSE Geography. It also gives detailed outlines of examples and case studies to support exam answers.

The question book that accompanies the revision guide has a range of questions aimed at higher and foundation students and provides an excellent opportunity to practice exam questions and refine exam technique.

I cannot recommend the books highly enough, they are one of the best revision guides I have seen and I think they would be a great help. The cost for both books is **£5.00** and I think this represents excellent value for money. Payment can be made by either debit/credit card via ParentPay on the College website. Please note that this is now the only method of payment for all resources. If you do not have access to the internet please contact the Finance Office to discuss alternative methods of payment via Paypoint. We need to receive your payment by **Friday 6th January**, when I will place the order. We will issue your child with their revision and question books in their geography lessons.

Thank you for your continued support.

Yours sincerely

Mr D Dagger - Head of Humanities.
