April 2010

Dear Parents / Carers

NEW UNIFORM

I am delighted now to be able to give you full details of our new College uniform, to be worn by all students in Years 7-11* from September 2010. Please find enclosed an explanation of our new regulations.

As you will recall, following thorough consultation with staff, students, parents and governors it was decided to change our uniform to one which more accurately reflects our ambitions for students and for the future of the College.

I know that parents share with me the ambition of outstanding learning, achievement and behaviour for all students, all the more important in these times of recession. Our new uniform is a means of expressing this level of expectation and a way for students of expressing pride in themselves and their College.

We shall expect students to wear their new uniform with pride and correctly. In particular, we shall expect students to wear their ties properly with their top shirt buttons done up.

The enclosed details have been drawn up very carefully to ensure that our expectations are made clear. If, however, you are in any doubt about the acceptability of any item of clothing, please visit our website or our College Reception to see what the new uniform will look like.

I know that I can count on your full support in our drive to ensure the very best for your children and in implementing our new uniform. We are excited by this development which will play a significant part in our mission to make Honiton Community College what we all want it to be - "Success for All".

Yours sincerely

Glenn Smith
Principal
