COMMENTS/SPECIAL MENTIONS
<p>Written by Rachel: Everyone in the team played their best, working well together considering this was our first time playing together. It was a very close game against Kings; however we had a strong second half with Jazmin feeding the ball nicely into Erin and with her consistent shooting we were able to gain a narrow win.</p> <p>For our second game against Colyton we were working a lot better together as team. We knew that Colyton were a strong team, but with Jazmin and Rebecca tightly marking they were able to intercept the passes bringing the ball nicely up the court.</p> <p>Overall the team played really well and we look forward to playing together in the Devon round.</p>
