COMMENTS/SPECIAL MENTIONS
<p>Written by Jaz:</p> <p>We worked well as a team and was able to try out all new combinations in attack and defence. Rebeca Copp was turning over crucial passes in order for us to convert goals. Even though the score didn't go our way if felt that we had finally started to gel well as a team. We have been doing a lot practices after school at Academy Club, which is paying off. We were strong bringing the ball through the court and we always had options available to pass back to and resetting the ball if needed. Overall it was a really good practise for future matches and will hopefully aid us in our next round of the East Devon competition.</p>
