

Girls Netball Year8 Team A  
Honiton VS Kings

We started of a bit shaky at first because we were all bunched up together instead of getting into space but after a little team talk we managed to score 3 goals by the end of the second quarter. Cerys Phillips and many others did well at getting into space and our defence kept on improving but kings had got 12 goals by the end of the third quarter where as we only had 4. This pushed the team harder to keep going and in my opinion we did really well. In the end the score was 4:16 to kings. Overall all of the team constantly worked hard and after that game we had improved our technique and we are now ready to take on whoever steps up to the challenge next.
