BEST PERFORMANCES/SCORERS
<p>Another performance full of hard work, skill and heart ultimately ended in defeat for the Year 9 Honiton rugby team but they certainly didn't go down without a fight (metaphorically speaking). The team were up against last year's County champions and started very brightly with excellent power running from Kai Freestone, Ben Spence and Matt Costanilla. This was matched in defence with superb individual tackling from the likes of Siggers, Steele and Whitworth (future solicitors), although defensive shape definitely needs work. The lads went down 56-17 which flatters the hosts as their kicker got 8/8 of his kicks but according to the referee, the best try of the evening was from Honiton and concluded the game. After a long clearing kick from Uffculme, Thomas Kirsch did fantastically well to dummy one player before getting a good pass away to Steel who was back to support deep in his own half. After beating 4 or 5 defenders he offloaded to Freestone and then on to whitworth and keywood. Quick ruck ball saw Freestone dive over for a 60 metre try worthy of the hallowed turf of Twickenham let alone Uffculme School. Overall I was very pleased with the performance and as a reward I have entered the team in to a tournament in the new year which I expect them to do very well in.</p>

PLAYER OF THE MATCH
<p>Man of the Match was Kai Freestone who had a stormer; clearing kicks, thunderous tackling, turnovers on the floor and 2 tries made him stand out from the crowd, ably supported by Skipper Spence who is a star in the making.</p>
