MATCH REPORT
<p>A team of 10 boys and girls from years 7 and 8 travelled to Exmouth Cricket Club on Monday afternoon for the East Devon Schools U13 softball cricket competition. They had 3 games to play in pool A, which were very difficult teams to play against.</p> <p>First, the Honiton boys and girls played a very experienced King's A team and lost by 76 runs as the Kings teams bowling and fielding was so tight. Honiton's bowling was very good, but we found it difficult to hit boundaries when batting against such good bowling from Kings.</p> <p>Next we played Exmouth and showed great improvement in both fielding and batting. Honiton lost this game by 51 runs, but had started being able to find the boundaries and were growing in confidence. We had a great batting innings from Zara, who was described by the boys as 'the best batter on the team', and also a fantastic catch behind by wicket keeper Joe off the bowling of Elliot.</p>

Amelie and Imogen were both very nervous about bowling in front of all the boys (we were the only team who had girls brave enough to go). Little did they realise they were actually HCC's secret weapon by bowling very straight and without giving away too many runs.

Our final pool game was against Colyton B team, where the team did so well but lost by 46 runs. Phoenix took two wickets, when both Elliot and Brandon were able to hold catches close to the boundary. All the other players bowled very well again in this game, and Joe was an excellent wicket keeper. Our team had managed to get their eye in by this game and were hitting regular boundary balls. Their spirits were high and despite losing this third match, they knew they could still try for a win in the final plate round.

The plate round had to be cut to 5 overs per side as the competition had already over ran. We played against Kings B team and beat them by 6 runs in an exciting final match of the day. We had a few balls left to come and only needed one run to win, when Joe hit a beautiful 6 that nearly made it out of the ground an onto Exmouth seafront! We ended up plate runners up as a result of that win, but returned back to college as if we had just won the IPL! The whole team were brilliant throughout the afternoon, working together and supporting each other when things went well or if things went not so well. Well done to everyone for taking part, it was a pleasure to take you all!
