COMMENTS/SPECIAL MENTIONS

The Axe Valley girls 7 a-side tournament didn't get off to a great start with an issue to do with footwear. Although, this did not dampen the girls spirits as they went on to achieve a win and a draw from 4 games. In the final game a solid defensive performance paired with composure with the ball by Jess Spence assured Honiton a 2-0 victory. The girls listened well to feedback from the 3 year 11 leaders and remained joyful and optimistic throughout the competition, which was excellent to see.
