COMMENTS/SPECIAL MENTIONS
<p>Written by Vicky.</p> <p>We had an exciting tournament. All the matches were closely played apart from the Sidmouth game where we lost 17-2! We were pleased we only lost by 3 goals against Colyton, as this is a team that we tend to lose by quite a lot more. Great performance from us all. We played very well against Uffculme and were pleased that we beat them the second time round. Winning by 5 goals! Well done Laura and Erin for some of the goals scored, it was brilliant. Becky Rose stepped in at the last minute and defended so well throughout the day we gave her player of the tournament. Well done Becky</p>
