COMMENTS/SPECIAL MENTIONS	
<p>The girls had a bit of a difficult start as St Peters did not have a full team, as a result we offered to lend them a player so they would have a full squad. The girls however did not let this effect their spirit and played wee together as a team, whilst swapping one player in and out of St Peters. Fierce defending from Ashleigh Starbuck and Lily Walsh help the team concede no more than 4 goals. Laura-Beth was brilliant as usual and managed to score our only goal of the game with the first 5 minutes. Well done to all who played it was a very good performance, particularly as this was the first game of the season. I think with a bit of practice between now and the next time we play them, we will have better outcome as we will be able to play with our full squad.</p>
