COMMENTS/SPECIAL MENTIONS
<p>The girls travelled to Exeter College to try and retain the Challenge Cup, which we have managed to win for the past two years. It was a slow start to the day only winning our first match by 3 goals. The girls, were clearly the better team but we were finding it difficult to let the ball flow down the court. We managed to play better in the second game against Kingsbridge but unfortunately they played some lovely netball and we ended up losing the game by 10 goals. However, this was clearly the wakeup call the girls needed as they won their last two games quite convincingly. It was nice to see the attacking taking care of the ball after being intercepted by Rebecca and Keeley in the defensive circle. They managed to convert most of these into goals and both shooters shooting stats were above 80%. We came runners up to Kingsbridge so were happy with the result. Well done to Laura-Beth who was playing up a year group and was voted by the girls and myself as player of the day. She demonstrated real talent and maturity in her playing ability.</p> <p>Well done all ☺ Miss Brown</p>
