REPORT

On Friday 21st April selected Year 7 and 8 footballers were given the opportunity to visit Exeter City Football Club to watch the first team train at their training complex. Students were guided by Steve Perryman MBE (former England international and Spurs player) which included a question and answer session. The group watch the first team train in preparation for their crucial match versus Morecombe on Saturday afternoon. The session included goalkeeper training, fitness session, skills drills followed by tactical play and set-pieces. After the training session, players spoke to students, signed autographs and allowed photos to be taken. A fantastic opportunity, and thank you to ECFC for hosting us. Students were a credit to the College.
