MATCH REPORT
<p>It was tough going at times for the Year 8 rugby squad over their recent two-leg tournament. In the first round they faced Uffculme, Colyton and Axe Valley, unfortunately coming out the wrong side of the results on all three occasions. There were lots of positives from round one, not least the emergence of Jonny Glover, playing a year up, this young man looks a good talent for the future demonstrating power and skill beyond his years. Lee Pulman, Sam Foster and captain Osian Owen also put in strong displays always tackling well and looking strong in attack. Round two icludd a game against Culompton but first it was a show down against Axe Valley, the team that had put five tries against us just six days earlier. On this occasion it was a different story with all players producing a good team performance. The considerably smaller college pitch seemed to suit our tactics (kick and chase) and fitness levels (emerging!) which were executed superbly with 2 excellent tries for the hard-working Glover and the jack-in-the-box that is Sam Foster. Our second match of the evening was a</p>

good performance with a spectacular chip and chase from Foster who went on to beat 6 defenders before diving in at the corner like a Scottish salmon leaping up stream! The squad was again very well organised and led well by Osian Owen with the able assistance of Year 11 leaders; Woollacott, Thompson, Maynard, Heathcote, Olive and Ferry with Nicholas and Young even sticking around to act as touch judges, a good all round HCC team effort!
