Match Report
<p>Once again the College attended the Autumn Ability Games. We had entered teams into the Seated Volleyball and the Open Archery. The Volleyball team won Silver in their event and Toby Simmons was also given a medal for his hard work and sportsmanship against the other teams. Following on from this success the Open Archery team managed to win a gold medal beating all the competition to get first place with some great shots from Hayden Turner, Charlie Reed, Karl Hepworth and Keira Gough. As well as the competitive side of the event there is also a range of none competitive events taster sports available for the students, Most notable at this event were the mini trampolines and the street dancing group, all of our students had a go at various other events including table cricket, wheelchair volleyball and short tennis. Also attending the event was Paralympic athlete David Hill who signed shirts and posed for photos with the students.</p>
