COMMENTS/SPECIAL MENTIONS
<p>Written by Tamzin</p> <p>We were very excited to play after our previous tournament last week. We all played brilliantly and were very supportive of each other throughout the game. Everyone agreed that the two players of the match were Tamzin and Kayleigh. Tamzin not only played well but stepped up by going on Goal when one of our players were injured. Kayleigh deserved player because of her consistent brilliant play in the game.</p>
