finishes, new lighting and new flooring; in essence a brand new building!

The work is starting on Monday 13th June and should be completed by Monday 29th August.

I would like to take the opportunity to thank all the staff who have undertaken the mammoth task of packing up classrooms and offices as well as the other teams such as ICT and premises who have been working hard behind the scenes.

English Building Refurbishment

The College has been fortunate to secure a significant investment of over £200k from the Education Funding Agency (EFA) to refurbish the English building.

We were only one of thirteen schools in Devon to be successful in the bidding process.

The refurbishment consists of a replacement roof, new windows, re-decoration throughout, replacement of internal ceiling

We will keep everyone updated on the progress of the work via the College website and our Twitter page.

College Governor - Paul Keeling

On behalf of staff and students I would like to thank Paul for his support and advice during his four year stint as a College Governor. We are fortunate to have a very experienced, skilled and knowledgeable board of volunteers, whose expertise and professionalism provides the leadership team with first class governance.

Being a partner of a large and successful law firm is a full-time job and so we were pleased to have Paul on-board. Paul's professional background was particularly useful when it came to proof reading bids for capital funding from the Department for Education and, of course, on matters of a legal nature. I wish him all the very best for the future.

Joining the Governor team on 18th May, we now welcome Tony Smith who will take up the vacancy left by Paul.

Working with young adults with learning difficulties

Ashley Rendell and Jack Patch (Year 9) have been volunteering with young adults with learning difficulties and have been helping out at the Youth Centre every Thursday evening for the last 6 months.

They assist staff with the running of activities and have even volunteered to be put in the stocks and get cold water thrown at them to help raise funds for the Centre.

Mrs Ledward

New Athletics Hurdles

A big thank you to Honiton Lions Club who generously donated £500 to the College in order to purchase 10 new competition specification hurdles, which will replace the very old lightweight hurdles.

Year 9 Rounders

24th May 2016

Our Year 9 rounder's team played a central venue league competition at Uffculme. We played three

games and won one. We were very consistent with our fielding but perhaps needed a bit more practice with our batting skills. We did, however, manage to catch quite a few batters out so well done on the fielding. We finished the tournament joint second but unfortunately were unable to progress through to the next round because we had scored three less rounders than Axe Valley.

The girls represented the College very well and I would like to award Player of the Tournament to Rebecca Donne-Davis who played extremely well throughout the afternoon - well done.

Axminster Leisure Centre Wednesday 22 June		

www.ledleisure.co.uk 

There is a new programme being introduced around the Leisure East Devon sites called **Born To Move**. It is catered for 2-16 year olds and is there to help increase physical activity, improve physical literacy and realise the importance of keeping active throughout life, using fun, age appropriate moves and music which each age group will love.

Honiton Leisure Centre will be holding a Born To Move Roadshow on Tuesday 21 June between 16.00 to 17.30

We are looking to recruit parents, teachers and people that are passionate about working with young people, we would like the children to come down and get involved to have fun and get fit whilst enjoying themselves.

Any questions or queries, please don't hesitate to contact Andrew Dare, Area Manager on Tel: 01404 42325 or Email: adare@ledleisure.co.uk
