Mary's Meals

The Mary's Meals Honiton College executive team are delighted to see the rest of the College getting behind them in the fight to help less-fortunate children's hunger. It only costs £12.20 to feed one child for an entire school year in a poorer

country than ours. Similarly, these children will rely on their backpacks and its contents to help them through their struggles. Special thanks to 8MBR for creating two backpacks and filling them with essential items such as pens and toothbrushes, as well as a list of extra items including cutlery, clothing and much more. Tutor groups 8MBR and 7MDA both raised enough money to feed a child for a whole school year.

We appreciate everyone's hard work and efforts. A massive thank you from the Mary's Meals executive team, and we all hope that you will join us in aiding this very worthy charity.

Athletics win at Exeter Arena

5 July 2016

The Year 10 u.15 girls won their category at Exeter Arena. We were very happy, to say the least, and Mrs Baden informed us this was the first win in 26 years!

English Block

The work on the refurbishment of the English block is progressing, contractors have only lost a couple of days through the bad weather and are still on track.

Internal work has started along with the removal of the roof.

CreATE Summer Showcase

On 28th June, we welcomed parents, students, and staff to our Summer Showcase. The event began in the Hall where we were treated to a range of musical scenes and individual Shakespearean performances. The performances were impressive and gave us a taste of what's in store for those who've purchased their tickets for Les Misérables. From the Hall, we travelled to the new building where Design & Technology, Photography, Graphics, and Art work was displayed in classrooms. Whilst visitors toured the exhibitions of work by students from Year 7-13, a group of Year 7 students who had volunteered to support the showcase worked brilliantly in the CAD/CAM room to develop their sculptural installation of drawings from their recent visit to the Eden Project which we are looking forward to displaying later this term.

The exhibition stayed up for the following day to allow students to visit during the College day and our students have explored the exhibition and given us positive feedback about the work they have seen. We were very pleased to showcase the work of our students, the performances were top quality and many of our young artists and designers have created beautiful and individual pieces of art work and design work. We hope all our visitors enjoyed the showcase; one parent visitor commented 'I would just like to say how impressed I was at the open evening tonight. The new building is wonderful, and the students' work quite amazing. The teachers and students were also very helpful.' We are looking forward to the final musical performances of Les Misérables this term and from next week we begin working towards next year's showcase.

Year 11 Prom

Last Friday saw the closing of one chapter and the opening of many more as the Year 11s celebrated their time at HCC at their Prom.

It was held at The Rougemont Hotel, Exeter which was a fitting venue for a prestigious event that has become a staple of the HCC academic calendar. All the students looked fantastic and there were a few with lumps in throats having seen these students grow from tiny little 11-year olds in to the fantastic

young adults that stand before us now.

Special thanks go to Mrs Pidgeon (ably assisted by the SWC team) for organising a fantastic event - you did a smashing job.

Good luck to all of Year 11 and I look forward to welcoming back those of you that have stayed on to study at the Sixth Form in September.
